Experience

Dundee Community Schools **Fall 2015-Present**
7th Grade Science Teacher: Plan and implement curriculum
Investigating and Questioning our World Through Science and
Technology (IQWST). Align all curriculum with the Michigan
Sciences Standards and Next Generation Science Standards. Serve on
several school committees including the Education Technology
Teacher Leader Corps with Discovery Education. Co-Advisor for the
buildings National Junior Honors Society. Organize fundraisers,
meetings, and hosting activity agenda as well as chaperone student to
Japan as teacher leader of the Japanese Cultural Exchange Program
from 2017-2019.

Saline Area Schools **Fall 2014**
Student Teacher: Collaborated with two cooperating teachers to teach
and plan both seventh and eighth grade science. Designed and
implemented lessons and laboratory investigations that correlated
with seventh and eighth grade science.

Professional Educational Services Group **2014- 2015**
Substitute Teacher/Paraprofessional: Provide instruction, manage and
maintain a safe and effective classroom environment and promote
student learning in the absence of the routine educator. Long term
substitute position at Saline Middle School, designing and
implementing lessons for eighth grade science. M-Step proctor for
seventh and eighth grade.

EMU Bright Futures After School Program **Winter 2014**
Science Club Instructor: Designed and taught science activities and
lessons to middle school at-risk children at Stevenson Middle School.
Collaborated with fellow EMU students to plan and organize science
activities.

Friends of the Rouge **Spring 2013**
Rouge Education Project College Student Assistant: Assisted
students, teachers, and parents at Crescent Academy in Canton, MI
with water quality testing surveys done along the lower branch of the
Rouge River. Assisted with benthic organism identification and
proper sampling techniques as well as student supervision.

Animal Medical Center **2009-2017**
Veterinary Technician: Assist veterinarians with surgeries and animal
care; run lab tests and maintain diagnostic equipment, educate clients,
train new staff on equipment and procedures, schedule appointments,
process payments, dispense medications, and pet-sit for a significant
number of clients in their homes.

Clinton High School **2008 - 2017**
Colorguard Instructor: Choreograph and instruct the high school
colorguard team. Collaborate with teachers, students and parents to
integrate a fashionable, polished performance at significant school
events.
